

## NYF 2008 RULES

Except where otherwise stated, NYF will run under the UPA's 11<sup>th</sup> Edition rules.

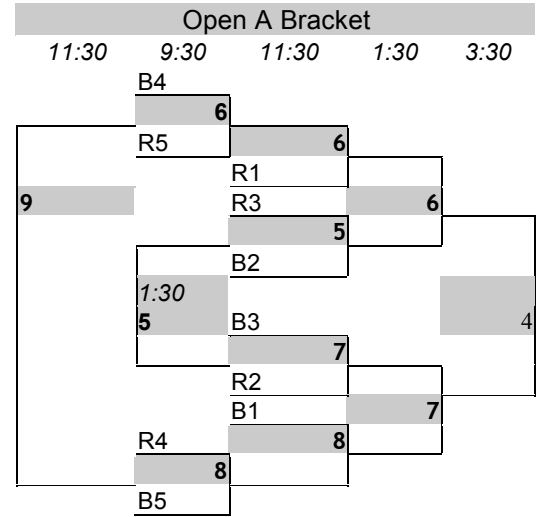

- 15-yard brick on out-of-bounds pulls.
- Up to two substitutions per team, per timeout.
- Mirror image, no half. Finals will have a mirror halftime.
- One timeout per half, plus a floater (3 per game).
- Once a game reaches overtime (i.e., 12-12 in pool play) each team is entitled to exactly one timeout, provided they have one available.
- Games will be soft-capped 30 minutes prior to the start of the next round. At the sound of the soft cap horn, a team that has timeouts available is permitted to use no more than one. (If a soft-capped game subsequently reaches overtime, a team that has already called a timeout during soft cap cannot use another.) At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game. (For capping purposes, a point is considered to be in progress as soon as the preceding point has ended.) **Note that win-by-two is no longer required**, but any team that reaches 13 or more by a margin of two or more will be the winner of the game.
- Games will be hard-capped 10 minutes before the start of the next round. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.
- Seeding for brackets will be based on won/lost record during pool play. Tiebreakers will be applied in the following order: point differential in games between tied teams; total point differential; disc flip.

- Pool games on Saturday are to 13, win by two, point cap at 15.
- Sunday bracket games are to 15, win by two, point cap at 17
