

## Welcome

Welcome to the 31<sup>st</sup> annual New Year Ultimate Fest! This is our second year at the Reach 11 Sports Complex, and everyone is excited to play on these awesome fields again. We think we've made some improvements after our first year working with this site. Based on 2012 feedback, the party venue and format has been changed to make it closer and more accessible to more of our players, and a few other tweaks were made. If you have more suggestions, please let us know, and if you have a good time this weekend, tell us that! Don't forget to stop by "Frisbee Central" to pick up some tournament discs, Five Ultimate sportswear, or vintage shirts to take home and remind you of good times in AZ! Have fun. Be safe and spirited. —Tim, President, Valley of the Sun Ultimate Association

## 2013 New Year Ultimate Fest \* Rules

Except where otherwise stated, NYF will run under the UPA's 11<sup>th</sup> Edition rules.

- All teams play 4 games. See the pool schedules for crossovers.
- Win by 2 except at the point cap, new point cap set by soft cap or the hard cap.
- Sunday games are to 13, cap at 15.
- Women's A and Open A finals are first to 15.
- 20-yard brick on out-of-bounds pulls.
- Up to two substitutions per team, per timeout.
- Mirror image, no half. Finals will have a mirror halftime.
- One timeout per half, plus a floater (3 per game).
- The soft cap horn will sound at 75 minutes. Teams with timeouts available can use no more than 1 during soft cap. At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game unless the original point cap was lower. (A point is considered to be in progress as soon as the preceding point has ended.) **Win-by-two is not required at the point cap**, but any team that reaches the original winning score or more by a margin of two or more will be the winner of the game.
- Games will be hard-capped 20 minutes after the soft cap. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.
- Seeding for crossovers will be based on won/lost record during pool play. Tiebreakers will be applied in the following order: point differential in games between tied teams; total point differential; disc flip.
